

MASS MEETING IAM MEMBERS

DATE: April 5, 2009
TIME: 2:00PM
PLACE: NORTH SIDE COLISEUM

It is imperative that all IAM members be in attendance at this meeting!

There will be discussion on the issues that we the membership said were important to us according to the information on the surveys. We will discuss proposals made to the company by your negotiating committee as well as proposals made by the company such as 9/80.

Did you know: 9/80 was originally proposed in other locations with multiple variations of schedules starting on different days of the week?

Did you know: The other Unions in LM Fort Worth are still losing holiday pay and all these years later they still don't have it right?

Ask yourself this: When has the company ever proposed or implemented something that didn't save them money?
